✓ 32.  LIAISON Discussed with Bill Miller, Staff Director, Senate Select Committee on Intelligence, the Committee letter just received requesting additional information on the effect of DDO reductions on the CI Staff. The letter had been signed by staff member Angelo Codevilla. Miller had not seen the letter (he was on leave the previous week) and said that Codevilla should not have sent the letter. Miller retracted it and I said we would take no action to answer the inquiry unless we heard again from the Committee. Miller approved this.
